CUSTOMIZE YOUR PEACE OF MIND

RESIDENTIAL

GUN SAFE

SECOND AMENDMENT

The Second Amendment line of gun safes are an affordable way to protect your loved ones and your firearms. The Second Amendment gun safe has a 1-hour U.L. listed fire protection rating up to 1750°F. All safes feature Intumescent expandable heat seal and meets DOJ specifications. All interiors are lined with plush grey carpeting.

LOCKS

All safes come standard with a U.L. listed combination lock made in the U.S.A. Various lock options are available upon request.

DRILL RESISTENT LOCK HARD PLATE

Each Blue Dot Safe comes standard with a proprietary drill resistant lock hard plate. This protects the lock against drill attacks.

RELOCKER

Blue Dot's bolt work systems are all equipped with an additional spring loaded relocking device that is only activated during a lock punching attack.

ANCHOR HOLES

Each safe comes standard with anchoring holes for bolting the safe to the floor.

Model No.	Outside Dimensions	Inside Bottom Storage	Weight lbs.	Shelves	Int. Capacity (cu in)	Color
